Based on 3" spacing
Based on 6" spacing

**Construction Features:**
- Heavy-duty stainless steel interior and exterior
- Cooking compartment insulated with 5" high-temp insulation
- Automatic, heavy-duty "B" style lift and gear-driven rotation system
- Heavy-duty door with 21" x 57.5" double pane viewing window
- Interior door safety release mechanism
- Oven accommodates two single racks or one double rack

**Performance Features:**
- Energy Star Certification
- 100-525 deg F temperature range
- Patent pending linear counterflow heat exchanger
- Burner manifold uses inshot burners with hot surface igniter
- High volume, waterfall steam system
- Three-point, air circulation system with adjustable shutters
- Exhaust heat recovery system increases fuel efficiency
- Self adjusting clutch protects operator and prevents damage
- Rack drive automatically stops, lifts and lowers with door operation
- Racks load at floor level (no ramp)

**Integrated Hood Features and Performance:**
- Meets the construction requirements of NFPA 96 & UMC for Type I & II Hoods (fire system, if required, shall be by others)
- Fully integrated hood with single point exhaust connection
  - Rooftop ventilator not included
- 20 ga fully welded stainless steel body construction
- 16.5 sqft hood capture area. Filter Velocity = 120 fpm @ 0.3" w.c. and 800 cfm

**Control Features:**
- **Digital Display Control** (Standard):
  - Two control modes with programmable features
    - Single-step cooking mode:
      - 40 programmable recipes with 6 quick select buttons
    - 6-step cooking mode:
      - 30 programmable recipes
  - Programmable features: Steam, Vent, Blower Delay and Pulse Air
  - Selectable Automatic Temperature Setback
- **Manual Backup Control** (Standard):
  - Manually control heat and blower, lights and rotation, and steam
- **Touch Screen Control with Android™** (Optional):
  - 8" full-color graphic display and touch screen
  - Easy-to-select recipe list with photos
  - Large storage library for recipes with up to 6 steps
  - Full feature recipe programming or manual operation
  - Edit recipe name, recipe number, and photo
  - Recipe day planner
  - 3 user levels with customizable user permissions
  - Bi-directional email access to recipes and day planner
  - Wi-Fi interface

**Standard Product Warranty:**
One Year Parts and Labor (Contiguous US, Alaska, Hawaii & Canada)

Double Rack Oven - Gas

Model LRO-2G5

Installation Requirements:
- Factory authorized start-up required
- Oven ships split in two halves for movement through 36” opening. Two crates = 112”L x 68”W x 44”H
- 112” ceiling clearance required for tip-up
- No buried utilities under floor
- Floor must be noncombustible supported by noncombustible structure
- Clearance from combustible surfaces: 0”, sides and back

Options and Accessories:
- "A" Lift
- "C" Lift
- Touch Screen Control with Android™
- LP Gas
- 120V/240V, 1ph, 60hz Electrical
- Double Oven Racks
- Single Oven Racks
- 120V, 1ph and 480V, 3ph, 60hz Electrical
- Correctional Security Package
